NEW AMERICAN INTRODUCTIONS FOR 1956

(Plants only)

AUTUMN QUEEN (Lewis-Dah) M FD E Bloom $2\frac{1}{2}$ x 2 Bush 3 ft. Lively orange buff shaded Spanish orange at center. Should be a real winner on the show table with its nearest competitor, Peggy Lindley. Good stems on low growing bush and masses of blooms with centers from early to late. Good root maker. Certified East Lansing, on Dudley's and Faust's Honor Rolls and Webb's Review.

Plants 2.00 net

BOBBY S. (Schroeder-Rocky River) Ball. This ball is similar to Charlotte Caldwell in color, but is a tall grower and flowers have long stems. Petals are more numerous and slightly pointed. Achievement Medal at Toledo 1954

Plants 2.00 net

CARLETTA ROSA (Rosemary) B StC L A very beautiful straight cactus running about 7 to 8 inches, color lavender shading to a light center. Stems are strong and wiry, holding the bloom at 45° angle. Winner A.D.S. Seedling award at Cleveland and Washington. An Honor Roll Dahlia.

Plants 3.50 net

CONFIDENCE (Phillips-Rocky River) B or BB IC A five to six inch incurved cactus of a deep gold color. Good for exhibition or floral work.

Plants 3.50 net

FAIRY QUEEN (LaMotte-Rocky River) BB SC W This is a four to five inch semi-cactus of the purest white. Extremely early, and one of the freest bloomers you'll find. It might wind up classed as a min.

Plants 2.00 net

GOLDEN HALO (Wolfe-Rocky River) A 1955 introduction of a beautiful eight inch golden yellow semi-cactus, with proportionate depth. Good stems holding blooms facing slightly up. Plants are tall, with dark green foliage. An abundant producer of exhibition quality blooms, and a plant that is a credit to the garden. Also a good root-maker. The above is introducer's description, and the reports we have had make it even better.

Plants 3.00 net

GOLDEN SHEEN (Lasch-Ruschmohr) A SC Au A combination of Indian yellow and scarlet. Reverse lined with red. Broad petals revolute to points and with a bronze sheen. Very large, 13 by 7 inches, stems canelike, 10 inches, holds blooms at 45 degrees. Bush $4\frac{1}{2}$ ft. Won as best seedling Cleveland 1954. On Eastern Flower Grower Honor Roll and Webb's Review.

Plants 5.00 net

JOHNNIE CASEY (Lakeside) Min Fd Bi Oriental red with generous white tips. A Seedling of the popular Little Nemo. Profuse bloomer. Low bush. Blooms 3 by $2\frac{1}{4}$ inches. On all four Flower Grower Honor Rolls. Everybody likes it.

Plants 2.00 net

JOHNNIE K (Lakeside) BB C R A cactus 5 by 4 inches,

Happy Cabin

color deep rose red, center oxblood red, profuse bloomer. As a florist's type or for arrangements, it's unique. On Flower Grower Honor Roll. **Plants 2.00 net**

LITTLE PATTY (Lakeside) BB SC Wh Semi Cactus white. Grows to 4 to 5 inches. Good keeper. Heavy bloomer. On Eastern and Southern and West Coast Honor Rolls. **Plants 2.00 net**

OTTO'S THRILL (Aumuller-Ruschmohr) A FD Pk A formal decorative Camellia Rose Pink, with delicate tips and edges of Canary Yellow, size 12 by 5½ inches; stems 8 to 10 inches, hold blooms on side. Bush 5½ ft. Good substance, and pink with slight yellow tips give fine color harmony. It has but two show table rivals. Won American Home Achievement Medals at Irvington, Elmira and Rochester. Also ADS Sweepstakes at Long Island, Elmira, Rochester, Irvington and New York. On Eastern and Southern Flower Grower Honor Roll. **Plants 5.00 net**

PAPE'S PINK (Pape-Rocky River) A free blooming semi cactus of good form and substance. Stems are stiff and well proportioned. A light blend of lavender-pink with cream centers. Blooms 7 to 8 inches. **Plants 3.50 net**

PEACH BLEND (Haugh-Rocky River) A perfection formal in the five to six inch class. Tall grower. Long stems hold blooms well above the plants. Peach suffused apricot. Scored 85.3 at Farmingdale. Achievement Medal at East Liverpool. On Southern Flower Grower Honor Roll. **Plants 3.50 net**

PILGRIM (Morgan-Rocky River) A white cactus that out-bloomed any cactus white the introducer has grown. A full flower, and one that will win its share of "blues." **Plants 3.50 net**

VAGABOND (DeRooy-Rocky River) Rich velvety red semi-cactus in the nine to ten inch class. Tall, strong grower, and a tremendous root maker. On Southern Flower Grower Honor Roll. **Plants 5.00 net**

1956 and RECENT FOREIGN NOVELTIES

(Plants only)

ADVANCEMENT B StC Pk Very much like Dentelle de Venise, but of a rich pink color, shading to cream at the base of petals. A good cut-flower. **Plants .65 net**

AFFECTION Col 3 ft. Deep Tyrian rose with white collar. Another giant novelty of perfect regularity and good habit. New for 1956. **Plants .50 net**

APPLEBLOSSOM B SC Pk A prolific cut-flower with outstanding qualities for all purposes. The medium-sized flowers are carried on erect stems and have a beautiful pink color with a lighter center. **Plants .50 net**

AURORA-Ball. Another beauty added to the ball class. Good shaped flowers on fair stems. Color is a bright deep golden yellow, much like Arc de Triomphe. **Plants .75 net**

- ANNEKE WEIDNER-Ball.** Lavender suffusing to cathleya purple edges. A distinct variety. Perfect show and Fancy Class exhibition bloom on long and erect stems. Abundant growth. Introduction by Ballego for 1956. **Plants .70 net**
- ANTIENTJE Pom.** Neatly shaped ochreous yellow, edged bright scarlet. **Plants .50 net**
- AUREOLINE Col.** Purest yellow giant. Plants grow bushy and produce an abundance of firm blooms and of a perfect exactude. Strong stems. New in 1955. **Plants .50 net**
- BEAU MONDE B SC Y** A rich bronzy yellow with yellow centers. **Plants .50 net**
- BELLEFLEUR M FD A** Bellefleur apple throughout. Distinctly blushed yellow, well filled blooms on wiry stems are produced in great profusion; early and late. A seedling of Ballego's Glory. **Plants .50 net**
- BESSIE HARDRESS A FD Y (Aus)** Enormous well-shaped flowers on good stems. Deep yellow, slightly touched bronze. **Plants .70 net**
- BIG BEN A StC R** One of the largest true cactus ever seen. Color does not fade; blooms are carried on firm stems, tho rather short, and should be grown from a side bud to increase length of stem. Deep crimson. **Plants .85 net**
- BRIDESMAID Anemone** Purest white with lemon inner petals. **Plants .50 net**
- BRIGHTEST PINK B StC P** Really the brightest one. Seedling of Pride of Holland. **Plants .50 net**
- BURNET (Butterfly) A ISC** Pure white tipped, crimson-scarlet bloom. Large flowers on erect stems. **Plants .50 net**
- CEASE FIRE A FD Y** Enormous free-flowering sulphur yellow. **Plants .50 net**
- COCKTAIL (Topsvoort) A ID Y** A fine exhibition dahlia on perfect stems, and a splendid formation. The medium-sized blooms have a very attractive maize-yellow color with a bronzy hue, and a golden center. A strong grower with excellent qualities as a cut-flower too. **Plants 1.25 net**
- CSARDAS (Bruidegom) B IC** A fine novelty with great merits as an exhibition flower. The perfectly formed blooms are carried by excellent stems, and have a very attractive red color. Shades of gold and purple add a special touch to the color and make this an eye-catcher both in the garden and on the show table. **Plants 1.50 net**
- CRINOLINE A ISC** Fimbriated Novelty. Yellow center, then flushed on a bronzy base-tone. Definitely laced edgings, enhanced by the narrow petals and surprising shade. Good stems, healthy growth. **Plants .75 net**

Happy Cabin

DAYDREAM B SC Deep unicolored salmon-pink well shaped blooms on enormous stems. **Plants .50 net**

DEANNA DURBIN Anemone. Sulphur yellow. **Plants .50 net**

DEERPLAY M SC Stainless golden yellow. Stems the best. Very free to flower and blooms early and late. **Plants .50 net**

EDZARD A StC Canary yellow. Certificate of Trials, Merit and First Class 1955. **Plants .70 net**

ELECTUS Pom Ivory-white, long stemmed cut-flower. **Plants .50 net**

ELLA BOLSTER A SC Purest yellow 9" exhibition giant. Wide and deep blooms grow on a huge and healthy plant. Certificate of trials, Holland 1955. Webb's review 1955. Ballego introduction selected for trial at Wisley, England 1956. **Plants .70 net**

ELLY HEUSS B IC (Ger) One of the best German introductions for 1956. Tho smaller in size, it resembles Frau O Bract. Well-shaped of good depth, carried on good stems. Sulphur yellow. **Plants .50 net**

ENFIELD SALMON (Aus) A FD Color is deepest pure salmon, with a wonderful formation and excellent qualities. One of the finest foreign dahlias ever grown. **Plants 1.50 net**

EYECATCHER B FD Brilliant scarlet flame, unsurpassable as a red garden variety, not even by Maria Orbaan, of which this new Ballego origination is a seedling. **Plants .50 net**

FLEECY ROSE M FD Baby rose. Petals are serrated at edgings. Novel shape, nice show bloom. **Plants .50 net**

FRIENDSHIP (Johnson) B StC Persian rose. Winner of Flower Grower Trophy; on Honor Rolls. Plants produce blooms in great abundance. **Plants .60 net**

GAY LOOK Pom Golden bronze, reddish center. Perfect exhibition pom. **Plants .50 net**

GOLDSPIDER A StC Cinnamon with striking yellow center. Prolific and continuous bloomer, on perfect and longest stems. Awarded First Class 1954. **Plants .50 net**

LITTLE WILLEM Pom Cupwinner 1954. Purple tipped white. A gem. **Plants .50 net**

LUX B StC A best yellow straight cactus, excellent stems. Good as either an exhibition or cut-flower purposes. Deep lemon yellow. **Plants 1.50 net**

MABEL'S DREAM B FD A good formal of splendid formation. Color a mixture of salmon-pink and yellow resulting in a vivid tone. Long keeping qualities, make this an excellent cut-flower. **Plants 1.00 net**

MAKE-UP BB FD Small to medium cut-flower, with excellent stems, and very free-flowering. Deep purplish pink on lighter ground. **Plants .50 net**

MADAM EMILE NAGELS A StC Vivid rose to white at base of split petals. A feathery bloom of good depth and fair 9" diameter. A novel Belgian Champion that makes a good exhibit. Sturdy growth. **Plants .60 net**

MARY BROOM Ball Large blooms of scarlet heavily tipped white, on excellent stems, makes this desirable, for our Ball class is small. **Plants .75 net**

MARY RICHARDS (Eng) M FD A reliable cut-flower that resembles Gerrie Hoek in most respects. The color is a bit more mauve and the bush is a sturdier grower. **Plants .50 net**

MAITRE FARGETTON A SC Amber to gold large blooms on dark long stems. A Golden dahlia. Many certifies and honors. **Plants .70 net**

- MOONLINER (Brui) B SC** A very strong plant and one that may easily grow to an A size. A beautiful bloom of a deep yellow color, with sometimes a faint blush of bronze in the center. Blooms have a good depth, and are carried on very strong stems. An ideal dahlia that is sure to win. The introducer thinks that this is one of his best introductions. **Plants 3.00 net**
- PHAROS B SC** Strawberry red, with a light rose reverse. Cutflower of distinction. Certificate of Merit with Award for qualities as a keeper. **Plants .50 net**
- PINK PROFUSION B SC** Deep lilac-rose cut flower. Long stems. **Plants .50 net**
- PIQUANT B SC** A most impressive novelty which created a real sensation in 1955. The wonderful blooms have a splendid scarlet color, evenly tipped pure white. By far the best bi-colored semi-cactus the introducer has ever grown. **Plants .50 net**
- QUICK Pom** Salmon-orange, a stronger and larger Rifleman. **Plants .50 net**
- REAL PLEASURE A IC** The large blooms have the true spider cactus type and consist of a large number of very narrow, completely revolute petals. Color a very beautiful pure salmon, with perfect stems. One of the best novelties for exhibition purposes. **Plants .60 net**
- RED JOY BB SC** A very attractive, rather small cut-flower, with many good qualities. The flowers have a striking light red color, which sparkles in the sunshine. **Plants .60 net**
- REES MIDNIGHT (Rees) B FD** A free-flowering dahlia with a deep purple color.
- REINDEER A StC** Lemon blend at center, with almost white at the tips. Straight, long florets, with full centers. A bright effective exhibition flower. **Plants .60 net**
- ROSEMARY GOLBY Pom** A splendid Pompom, may be best of last years introductions. Evenly spaced florets, distinctly bordered, and bloomlet could be likened to a full ripened peach. **Plants .60 net**
- STIRLING A ID** Snow white, each petal lightly veined China porcelain blue, and laced the deeper tint. Outstanding. **Plants 2.00 net**
- SUPERCLASS A IC** The giant blooms have perfect sturdy stems, and a wonderful petal formation. Color is a wonderful deep bronzy salmon, overlaid with a golden hue. Mr. Bruidegom considers Superclass the best IC he ever grew. **Plants 1.50 net**
- THE COLONEL A ID Lemon Yellow** A multitude of narrow petals, slightly incurving. 9" blooms are on best of stems, and have a good depth. Ballego introduction for 1956. Long lasting flower. **Plants 1.25 net**
- TONETTE M StC (Eng)** A very small neatly formed flower, salmon color, mingled apricot. **Plants .50 net**
-

TROCADERO B SC A fine dahlia of perfect form and stems. The color a fine blend of apricot and salmon tones, with a slightly lighter center. **Plants .50 net**

VARIETY GIRL A FD, BUFF ORANGE Broad petals in splendid regularity, and abruptly tinted mother of pearl at edges. Very prolific for its size, and a splendid exhibition variety. Blooms are long-lasting and do not fade. **Plants .50 net**

WHITEHORSE (Topsvoort) B IC The best white dahlia introduced this year. Very striking novelty with excellent qualities. A real improvement over Florence Chadwick. Has the same pure white color with a slight lavender blush in the center. One of the best novelties. **Plants 2.50 net**

WHITE ABUNDANCE A ID Pure creamy white, imposing flowers. **Plants .50 net**

WHITE ASTER Pom The best serrated white for cutting. **Plants .50 net**

WILLO'S VIOLET Pom Deep Violet purple, with a pale relief. Wide bushes produce perfect blooms in great profusion and on long stems. **Plants .50 net**

ZIERPUPPE Pom Orange tubular petals. Original formation. **Plants .50 net**
